

COMMUNITY ASSISTANCE CENTER
Serving Montgomery County

2021

IMPACT
Report

OVERVIEW ABOUT US

Community Assistance Center (CAC) is a non-profit, social service agency established in 1981 to provide resources and assistance to our neighbors in Montgomery County that are in financial crisis. Many people in our community are a single instance away from finding themselves in a vulnerable situation that can cause tremendous financial hardship through job loss, reduction in wages, illness, etc. CAC provides a variety of case management and basic needs assistance including food, clothing, shelter, utilities, and education.

In 2021, CAC provided
22,709 SERVICES
to Montgomery County
neighbors in need.

Mission

Providing Resources to meet basic needs and improve quality of life for our neighbors in Montgomery County.

Vision

Strengthening Montgomery County one neighbor at a time.

Values

CLIENT FOCUS
Everything we do is based on the best interest of our clients.

INTEGRITY
We serve our clients with honesty, fairness, sensitivity, and accountability

PASSION
We work with excitement, enthusiasm, passion, and care at all times.

COMMITMENT
We are committed to helping and improving the lives of our neighbors in Montgomery County.

TEAMWORK
We work with urgency, act professionally, and have FUN while we are doing it.

A LETTER FROM Woody McOmber, Board Chair

I have been lucky enough to call East Montgomery County home for over 40 years. As a graduate of Splendora High School class of 1985, in a class of only 100 students, I could have never imagined the amount of growth my community would undergo over the next few decades. After high school, I enlisted in the US Coast Guard, and although I enjoyed the places my time in service took me, I always knew that I would return to Splendora to raise my family.

Upon learning about the services Community Assistance Center (CAC) provides in our county, I knew this was an organization I wanted to be a part of. The impact and importance of an organization like CAC is invaluable to the vulnerable members of our community and never has CAC's mission been more necessary than in the last few years. Since becoming a board member in 2017, I have seen the difference CAC has made in so many lives during devastating times such as Hurricane Harvey, tropical storm Imelda and the ongoing COVID-19 pandemic.

I'm so proud to be a part of CAC and am excited to see how we can continue to serve the citizens of Montgomery County.

A LETTER FROM Jennifer Huffine CEO

For 41 years, Community Assistance Center has been essential in serving the neighbors of Montgomery County during times of unexpected crisis. The past year has continued to present significant challenges for not only our most vulnerable populations, but for hard-working families, who are still trying to climb out of the COVID trenches. What does an organization need to take on what seems to be impossible? To make the greatest impact to change, not just for individual lives, but for an entire community. The answer: we need YOU.

I am inspired every single day by the dedication of our donors, the commitment of our partners and the fire that stays lit in the hearts of our staff and volunteers. Each of you demonstrate resilience by adapting to the ever-changing needs. You've continued to be a voice for those who may not have one otherwise. You are making a real and positive impact for your neighbors and your strength is the reason for the success and growth of Montgomery County in these challenging days.

While navigating the uncertainty of a pandemic, families in our County have been faced with barriers such as food insecurity, housing instability and an absence of everyday basic needs. Amid these crises, each of you have answered the call. The call to ensure that our neighbors would not go without the vital resources they need to help regain stability for their families and to help create a better future for our County as a whole. While we aim to build capacity, diversify our funding, and engage all who share our vision and passion, I invite you to join us. As an advocate, a volunteer, a donor, or community partner, join us as we expand our outreach, continue to serve and Strengthen Montgomery County one neighbor at a time.

With gratitude,

Jennifer

Julio Bandilla
Director of Programs &
Client Services

Courtney Frost

Mark Wilson
Director Of Finance

Disaster Response

Throughout 2021, we witnessed the residual affects of the ongoing COVID-19 pandemic coupled with other challenges for our neighbor's experiencing crisis. In February 2021, Winter Storm Uri, a major winter storm event, hit Texas with wind, snow, and ice, leaving nearly 70 percent of Texans without power. Even after the storm was over, roughly 49 percent of household were left without access to water due to infrastructure and pipe freezes. The economic toll reported by the Federal Reserve Bank of Dallas estimated financial losses between \$80 billion and \$130 billion. Once the roads were clear, the CAC team along with the efforts of local and county officials came together to provide immediate assistance with food and water for over 250 families. Over the course of the next few months after Uri, CAC worked alongside individuals and families on the road to recovery.

However difficult the challenge, CAC remained steadfast in providing the resources and services necessary for our neighbors to regain stability. While we have not seen the end to COVID-19, we have made significant progress to the new normal. To date, CAC has provided 17,650 services to 10,200 of neighbors experiencing the effects of the pandemic. When disaster strikes, CAC is ready to assist our neighbors in their time of need, serving as that light in the dark and the foundation for hope.

FUTURE PROGRESS

The one thing in life that remains consistent is change, and in 2022, CAC was able to put words into action with the expansion of services to reach communities with unmet needs. With the help of Precinct One County Commissioner's office, CAC expanded direct client service and case management in the Willis area. Through the partnership with the County, the North County Community Center houses a CAC case manager three days a week, eliminating barriers for clients in the northern part of the county. Furthermore, thanks to Commissioner Robert Walker, CAC also provides a miniature client choice food pantry to area residents, complete with shelf stable products as well as produce, dairy, and frozen foods as part of the client selection. The thought process behind such outreach is to meet our neighbors where they are to provide the services they need. We continue to change and adapt to provide the groundwork for our neighbors, and as we move forward with progress, we ask you to join us on this journey for a better community.

The future is bright for CAC because of our family of supporters just like you. A special thank you to our 2022 Community In Action Changemaker and Visionary Sponsors.

Faith Partner Breakfast

October is clergy appreciation month, and to celebrate partners in faith, Community Assistance Center hosted its first Faith Partner Breakfast at the Conroe Tower on October 12, 2021. Over 20 congregations were represented during the event, with panel speakers including Shelia Templeton of First Methodist Conroe, Wendy Wilbur of April Sound Church, and volunteers with the ID Restoration team. The event was an opportunity for various congregations to come together in fellowship and to learn more about CAC and how faith partners can become part of the impact CAC makes in our community.

Thank You to our various partners for providing services to enhance the daily operations at Community Assistance Center.

PROGRAMS & SERVICES

12,622 Neighbors were provided food assistance by CAC in 2021.

1,090,860 pounds of food was distributed throughout the year.

Client Choice Food Pantry

The Community Assistance Center Client Choice Food Pantry is a critical part of our efforts to end food insecurity in our community. Through the client choice model, our pantry resembles a small grocery market where our neighbors can select products based on their specific family needs. Fresh produce, a variety of proteins, and shelf stable selections are available at no cost to those in need. Baby care, personal hygiene items, and cleaning products are also distributed when available. Not only does this model allow clients the opportunity to choose their own food to fit their personal preference and special dietary needs, it gives our clients a sense of dignity and respect while also limiting food waste.

Community Education

Community Assistance Center works to empower our clients with knowledge and skills that will move them towards the goal of self-sufficiency. CAC offers many opportunities to grow and learn including counseling, financial literacy, life skills, nutrition education, Senior Lunch & Learn sessions, and job skills.

Basic Needs & Crisis Intervention

CAC provides a variety of Services to Montgomery County residents when our help is needed most. We assist our neighbors with mortgage/rental assistance, emergency shelter vouchers, utility assistance, food and clothing, homeless care kits, transportation vouchers, and prescription assistance along with information and referral services.

Permanent Supportive Housing

A proven solution to homelessness for the most vulnerable and chronically homeless is Permanent Supportive Housing, or PSH. This program pairs affordable housing assistance, case management, and supportive services to promote independent living and tenancy skills while connecting people with community based health care, treatment, and supportive services. PSH has been shown to improve health and well-being while also providing a cost-effective solution to lower public costs associated with the use of crisis services such as shelters, hospitals, jails, and prisons.

Disaster Relief and Recovery

CAC provides assistance to those affected by disasters such as hurricanes, flooding, individual house fire, etc. CAC offers basic needs assistance as well as long-term recovery solutions and support.

Special Programs

CAC responds and adapts to community needs, providing a wide variety of special programs.

- **Drive-thru Mobile Markets:** Partnering with the Montgomery County Food Bank, CAC provides quarterly food distributions drive-thru style with volunteers and staff loading family vehicles with boxes of shelf stable foods, produce, meats, and dairy.
- **Summer Stock:** During the summer, CAC provides weekly bags of kid friendly groceries for our littlest neighbors. The program serves children who typically benefit from free or reduced meal programs during the school year.
- **Back to School:** Before school starts, CAC provides backpacks, school supplies and hygiene kits for teens along with new and gently used clothing and shoes through CAC's Unique Resale.
- **Bags of Blessings & Cozy Christmas:** For the holidays, CAC provides individuals and families with bags of holiday groceries. In December, families receive a Cozy Christmas gift bag that includes cozy items such as blankets, hot cocoa and family friendly games.

Hand-Up Initiative

CAC and our Collaboration Council is dedicated to breaking the cycle of poverty. We employ a holistic approach for those clients who express an interest in proactively taking the necessary steps towards self-sufficiency by providing support and the most comprehensive resources available to our neighbors in need. This initiative enables our clients to develop a greater understanding of accountability so that they are proactive in working towards long-term solutions.

The purpose of the Hand Up Initiative is to identify, encourage, and empower clients to gain greater levels of financial independence and self-sufficiency. Clients motivated to make positive changes engage in a comprehensive, client-centered plan while also receiving coordinated case management. The Hand Up Initiative provides enhanced intake assessments, individualized service plans and expanded service delivery through an outcomes-driven collaboration of community service providers.

1,033 Homeless Care Kits were distributed to neighbors in need.

ID Restoration Ministry assisted with **358** renewal sources.

ID Restoration Ministry

(in partnership with First Methodist Conroe)

This volunteer led ministry assists individuals needing to acquire an official state identification, birth certificate, or social security card. Proof of identification is necessary to obtain a job, shelter, collect benefits, and even just to stay out of trouble for failure to provide. For clients who experience homelessness, incarceration, aging out of foster care, or those fleeing domestic violence, obtaining identification is crucial to moving forward.

Meet MIGUEL

Miguel was the youngest of five children and lost his mother at a very young age. His father, a military man, had moved the family around the country during his years in the service, eventually settling the family in Los Angeles. Miguel remembers California being a beautiful place, but over the years LA grew to be less and less safe. He remembers how his older brother “lived the life” as a gang member on the low rider scene. It was in early 2000s that the gang violence around him would impact his life forever. While visiting a friend’s house, just down the street from his home, Miguel was shot in a drive by shooting, leaving him lucky to be alive. After multiple surgeries to remove the shrapnel, Miguel returned home to care for his ailing father.

After his father passed in 2011, there was nothing left in LA for Miguel, so he came to Texas after his cousin encouraged him to leave. Not long after his move, Miguel found it easier to be on the streets than with family due to their own struggles. Due to his injuries, Miguel has a hard time remembering how long he lived on the streets, but he made friends in the camps and learned how to be part of a community again. In 2021, Miguel stayed at a shelter in Conroe and learned about Community Assistance Center.

“
*I am **THANKFUL**
and **GRATEFUL**.
I am a witness to
how CAC helps.*”

“I would come to CAC for food and clothing,” said Miguel, “and when new people came to the shelter, I would take them with me to get help from CAC.” It was at Community Assistance Center that Miguel connected with Michelle, who is a services coordinator, from Star of Hope and partner agency of CAC. Michelle helped Miguel navigate the various services for unhoused persons and helped him receive the disability documentation he needed for CAC’s Permanent Supportive Housing program.

By the end of 2021, Miguel was off the streets and in a place of his own. Julio Bandilla, CAC’s Director of Programs and Client Services, served as Miguel’s Case Manager when he joined the Permanent Supportive Housing program. “Julio has helped me quite a bit. He helped me in finding housing, transportation to appointments, groceries, everything,” said Miguel. CAC’s resale shop has helped furnish Miguel’s home and he is immensely proud to share with others how CAC has changed his life. “I don’t think anyone wakes up wanting to be out of sorts. If you have issues, there is help. It’s all here locally.”

1,721 Montgomery County residents received utility assistance through CAC in 2021.

CACs Rent & Mortgage Assistance helped **1,653** neighbors stay in their homes.

VOLUNTEER *Spotlight*

Mike & Julie Medved

Members of First Methodist Conroe and both happily retired, Mike and Julie devote their time, talents and experience in serving Community Assistance Center. Mike, who is a CAC board member, teams up with his better half Julie to volunteer with the benevolence team of First Methodist Conroe each month, providing CAC clients with resources and financial assistance services.

At least twice a week, you can find Mike in the CAC client choice food pantry or doing some heavy lifting in the Unique Resale shop. Julie stops in every week to help in the shop as well, sorting through donations, pricing merchandise, running the register, and helping the shop run smoothly. When not at CAC, Julie spends a great amount of time each month volunteering with her neighborhood's "Director of Fun" to help with community programs for the neighborhood. As for Mike, he is a member of the Conroe Noon Lions Club, teaches both morning and night Sunday school, and he coaches' baseball for 3- and 4-year old's as an active grandpa.

“ We have a passion for helping others and we enjoy the work. CAC does so many things to help the community and it is rewarding for us to be part of making a difference. ”

Mike and Julie are a shining example of people who make this community so special. Their reliability, dedication, hard work, and passion for serving others is an enormous asset to CAC.

CAC Volunteers

1,810 AMAZING volunteers served with CAC providing 13,691 hours of service in 2021.

A very special *Thank You* to each and every individual and family who serves with CAC. We would not be able to serve our community without *you!*

2021 Legacy AWARDS LUNCHEON

The Legacy Luncheon returned in 2021 to welcome keynote speaker Liz Murray, the Co-Founder & Executive Director of The Arthur Project and the inspiration behind the Lifetime movie, *Homeless to Harvard*. The event took place on May 14, 2021 at The Woodlands Waterway Marriott with over 450 guests in attendance.

Liz Murray's life is a story of triumph over adversity and an example of the importance of dreaming big. Murray was raised in the Bronx by two loving but drug-addicted parents. She grew up in poverty, often without enough food, chronically absent from school and most of all, struggling to connect her education to a viable future. By age 15, Murray's mom had died and she was homeless—living on the streets, riding the subway all night, and eating from dumpsters. Amidst this pain, Murray always imagined her life could be much better than it was. Determined to take charge of her life, and with the support of an upstairs neighbor and trusted family friend named Arthur, Murray finished high school in just two years and was awarded a full scholarship to Harvard University, all while camping out in New York City parks and subway stations.

These days, Murray devotes her time to serving as an advocate for underserved youth. Murray graduated from Harvard in 2009 and received her master's degree in Education Psychology at Columbia University. She is passionate about speaking on the importance of personal motivation, transforming problems into opportunities, and what it takes to make a difference in people's lives.

The Legacy Luncheon also serves as an opportunity for Community Assistance Center (CAC) to recognize local community members who have served as champions for CAC and have made significant contributions to Montgomery County neighbors in need. The event honors local leaders, business partners, faith partners, fellow service organizations, and the amazing power of volunteers. The honorees included Legacy Award recipient-Commissioner Pct. 1 Mike Meador (Ret.), Buckalew Chevrolet, Woodforest National Bank, The Church of Jesus Christ of Latter-day Saints, the Montgomery County Food Bank, and volunteers Paula Odom, and Beverly and Mac Schard.

As one of two major fundraisers for CAC, the Legacy Luncheon continues to be an inspiring event celebrating service to our community and generating funding to support the many programs and services provided by the organization.

The 2021 Legacy Luncheon generated over \$125,000 for CAC programs and services.

16

COMMUNITY ASSISTANCE CENTER | 14TH ANNUAL

DUCK RACE

SEPTEMBER 18, 2021

Community Assistance Center's 14th Annual Duck Race made a big splash at Big Rivers Waterpark & Adventures on Saturday, September 18, 2021 with over 300 onlookers for the event.

The event sold out once again but with 8,000 yellow rubber ducks being released into the lazy river with cheers from all in attendance. Trophies were awarded for top duck sales by individuals and team sales, along with fabulous prizes to Duck Race winners including the grand prize of \$2,500 in cash sponsored by Guaranty Bank & Trust. Other great prizes passed out to the winning adopted duck parents included an Apple watch, a Family 4 Pack of Season Passes to Big Rivers Waterpark & Adventures through the 2022 season, Astros tickets, and a 2 Night Stay at Margaritaville Lake Conroe Resort.

The generous support from event sponsors included Presenting Sponsor, Big Rivers Waterpark & Adventures along with 40th Anniversary Ruby Sponsors-America's ER, Buckalew Chevrolet, Burns & McDonnell, Entergy Texas, Friends of CAC, Linde, McOmber Ranch, The Woodlands Community Presbyterian Church, The Tripathy

Family, Waste Connections, Woodforest National Bank, and Zters Site Services. Other sponsors included Guaranty Bank & Trust, Wiesner Buick GMC Hyundai, Braintek, Consolidated Communications, First National Bank Texas, Rinkers Products & Services, John & Debbie Templet, 5 Point Credit Union, Bradbury Brothers, Bill & Janice Dougherty, IcePackStore.com, Lone Star College-Montgomery, Kelly McDonald, Mike & Julie Medved, Andrew & Madison Perry, Ski Dock, Mike & Lisa Spinks, and James & Janet Stilwell.

Underwriting sponsors include Branding Iron, Image Studio 47, Margaritaville, Signs, Etc., Ski Dock, Silver Rock Productions, Taylorized PR, The Woodlands Lifestyle Magazine, and Vernele's New Orleans Café & Bakery.

Proceeds from this fun-filled, "quacktacular" special event raised over \$72,000 for CAC programs to serve neighbors across Montgomery County.

17

Some closets are bursting with clothes that no longer fit, toys children have outgrown or forgotten, and household goods that never get used. Other homes are missing even the most basic necessities. That is where Unique Resale comes into the picture. Unique Resale fulfills two critical purposes for Community Assistance Center by serving as a revenue generating source for the organization as well as being the heart of our clothing assistance program.

The Unique Resale Shop supplies a wide variety of new and gently used clothing and accessories, housewares, furniture, home décor, and more at great prices that are sure to excite the bargain shopper spirit in all of us. All items in the Unique Resale Shop are donated from around the community and nothing goes to waste with the shop's recycle program.

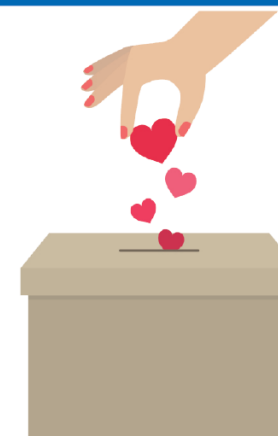

When our neighbors come to CAC in their time of need, those needs may include clothing for rejoining the workforce or growing kids heading back to school among other essentials.

Through CAC's clothing assistance program, individuals and families can "shop" for clothing and shoes at no cost to them, allowing them the flexibility and independence to find clothing that best suits their needs and personality. Housewares and furniture are also provided to our neighbors in need when transitioning from homelessness or for families that have experienced a natural disaster.

When you donate or shop with Unique Resale, the funds from every purchase goes to support the various programs and services provided by CAC. Unique Resale is a treasure of its own, but it would not be the same without community support. With every donation to the Unique Resale, members of our community benefit from your generosity. So, the next time you are looking to clean out some space in your home or garage, please consider CAC's Unique Resale Shop. Furniture donation pick up service is available by appointment- please contact us at 936-494-4403.

HOW You CAN HELP

"I don't know where I would be without CAC."
-Vernon, previous CAC client

Financial Support

Your donations will allow CAC to assist our neighbors in need with rent, mortgage, with basic needs, and crisis intervention services.

Sponsorship Opportunities

Sponsor a CAC program, initiative, or special event. CAC has lots of ways for you to commit to supporting your community.

Online Advocacy

Follow CAC on social media, like and share our posts, and let your network know how to get involved and receive help.

In-Kind Support

Donations of non-perishable food, hygiene products, cleaning supplies, furniture, clothing, and more are accepted weekly Tuesday through Friday.

Volunteer Opportunities

Individuals, small groups, teens, and families are welcome to serve with us! For more information on available volunteer opportunities, please contact Renée Blacklaws at renee@cac-mctx.org
